Scott and Mike,
Would you please email me your concurrences on the AOC by COB today so I can add those to the routing package?
Thank you.

Mr. Otis:
I am re-sending a final version of the AOC to you. Although I had stripped out the key provision on past response costs from the AOC, I had neglected to eliminate all of the other references to past response costs as well as interim response costs in the settlement agreement. I have now done that. Attached please find a revised final version of the AOC in a pdf file and a redline version in Word so you can see the changes. I apologize for any confusion.

I understand that we are close to finalizing the RI/FS work plan.

Thank you.
Mark
